

The ultra-mini tape made from innovative materials for convenient corrections

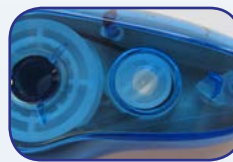

Product description

Ultra-compact front-dispensing tape. Tape length: 6 m, width: 5 mm. Invisible on photocopies and scans. Instant clean and accurate corrections. Rewrite immediately. Excellent coverage. Exceptional design developed for maximum functionality. Eco-designed product made from 94% alternative materials⁽¹⁾. Suitable for both left and right-handed users.

Design and development

The design of this Tipp-Ex® product is optimised to reduce the consumption of raw materials. It was developed by our own teams

Tension screw

The tape can be manually rewound for seamless dispensing.

Manufacturing process and controls

Every Pure Mini Ecolutions^z correction tape undergoes over 40 quality inspections during the manufacturing process, from individual parts to the finished product. ISO 9001 certified plant.

Compliance with standards and regulations

- **Product:**
 - REACH / EC No 1907/2006
- **Packaging:**
 - European Directive 94/62/EC
 - Eco-designed packaging: optimised shape, weight, and materials

Environment and social responsibility

- **Environment:**
 - Made from 72% recycled materials and 22% plastic from renewable sources.
- **Social responsibility:**
 - Passed CSR audits

Logistics data

- **Product:**
 - Length: 65 mm
 - Width: 21 mm
 - Height: 32 mm
- **Packaging:**
 - Box x 10
 - Display x 60

(1) Housing made from 94% alternative plastics : 70.5% recycled plastic + 23.5% plastic from renewable plant-based materials (wood from sustainably managed forests and corn).
